UNION AND R. P. I. FALL BEFORE HOME TEAM IN CLOSE GAMES

Uphill Fight With Rensselaer Brings Victory in Tenth

Bunched Hits in First and Third Net Six Runs Against Garnet—Varsity Never Headed

Thursday afternoon, the Varsity defeated Union by a 7-4 score. Although Hamilton led the visitors all the way, the Garnet team fought hard. Hamilton's twelve errors made Union look dangerous in four innings, but each time Baumler tightened and put the quietus on the Schenectadians. The hitting of the home team, on the other hand, was greatly improved over that of recent games. Hamilton netted seven runs out of eleven hits, and Union's four tallies resulted from seven hits.

First Inning Brings Three Runs

Powers saluted Brucker in the first inning by banging his first offering to left field for a single. Another single by Fursman, and doubles by Pritchard and Cavanaugh netted three runs. Hamilton secured three more in the third on a base on balls and singles by Baumler, Powers and Fursman, after two men were out. In the seventh, Campbell reached first on a bunt, and scored when Brucker threw the ball away in an attempt to catch the runner off first.

Union scored twice in the third on two hits and two errors, once in the seventh and once in the ninth.

Baumler pitched steady ball at all times, while Brucker, who worked for five and one-third innings, was continually wobbly. Laskowski finished the game in the box for Union, and proved a harder proposition than his predecessor.

The features of the game were a circus catch by Fursman in the second and a stop later on that brought the spectators to their feet. Pritchard threw home from the field, retiring the last man in the ninth, when a Union rally seemed imminent. Fursman starred with the stick with three hits out of five times at bat.

Baumler Wins His Own Game in Extra Inning With a Single, Scoring Johnson

Hamilton won a ten-inning uphill fight from R. P. I. Saturday afternoon, by an 8-7 score. Kuhnert, the Rennsalaer southpaw, had the Buff and Blue batters puzzled for a while, but they fell on him in the fifth and succeeded in driving in three runs. Three more in the sixth and one in the seventh left the score tied at the beginning of the tenth inning. After R. P. I. had failed to score in their half of the inning, and the first two Hamilton batters were out, Johnson got a single and went to second on an error. Baumler then won his own game by a smashing single over second which scored Johnson.

Baumler pitched consistent ball during the whole game, but received only fair support. R. P. I. scored twice in the third inning as a result of two hits and two errors, and twice more in both the fourth and fifth. Their last tally came in the eighth. Johnson starred at the bat for Hamilton with three hits out of five times at bat, while Shankey performed likewise for the visitors.

ELECTIONS MONDAY

The annual spring college dinner will be held in Commons, Monday evening, May 27, at 6.15, with the regular elections of the Undergraduate Association following. Among the officers to be elected are Manager and Assistant Manager of Charlatans, of Musical Clubs, Assistant Manager of Track and Baseball, and Director of Intramural Sports. There are also two vacancies on the Executive Council, caused by the absence from College of Welsh and Morrow, '19.

Casts Preparing for Commencement Plays

Stage for Plays to be Set Up Two Weeks Early

The casts for "The Clod" and "Pokey", the two plays which the Charlatans are to present at Commencement, are now rehearsing regularly once a week. The first act of "Pokey" is being rehearsed every Sunday morning after chapel, and the second act on Monday afternoons at 4:30, while "The Clod" is being done at 8:30 on Friday mornings.

Arrangements are being made to have the stage set up in the Gymnasium two weeks before the performance, in order that the casts may work for that length of time on the stage instead of once or twice. Pierce, '19, has designed a setting for "Pokey" and work on the scenery will soon be commenced. As usual, all costumes and scenery will be made as far as possible by the members of the Charlatans. The stage setting for "Pokey" requires an outdoor scene on a cliff overlooking Jamestown, Va., while that of "The Clod" is the interior of a "poor white" cabin during the Civil War.

The Commencement performance will be given in the Soper Gymnasium at 8:15 on the evening of Friday, June 14th. There will probably be dancing after the performance.

COLLEGE SERVICE FLAG

Three Hundred Fifteen Alumni in Country's Service

A Hamilton service flag will be unfurled at Commencement. At present the lists show about 315 Hamilton men in active service, exclusive of men in Y. M. C. A. work, which will not be included. This list is being revised and corrected at the present time in an effort to have it entirely correct before Commencement time. In proportion to Hamilton's size, this is believed to be one of the best showings of any college in the country.

ELECTED TO SQUARE

Gardner F. Parks and Harold H. Reed, '19, have been elected Square.

FLETCHER, '20, CALLED

Lucian Fletcher, '20, who enlisted in the Naval Reserve during Easter vacation, received his call last week and left Sunday for Pelham Bay to begin active service. He was a member of Delta Upsilon.

JUNIOR PLATTSBURG

Courses Include All Branches of Military and Naval Training

The courses offered at the junior Plattsburg will include four main divisions: Infantry, Cavalry, Artillery, and Naval. These will be taught thoroughly by experienced U. S. officers. The important phases of modern warfare will be in charge of experts—this includes machine guns, hand grenades, military map-making, camouflage, trench warfare, and defenses against gas attacks—using gas masks (no gas used). Special courses, inseparably connected with modern warfare, will also be given. These are: aeroplane ground work; hydroplane; automobile; motor boats; military applications of civil engineering; road building; drainage; sanitation; refrigeration; electrical apparatus (general repairing and assembling); telegraph and wireless; war farming and gardening; food conservation. The remarkable location of the camp—on a beautiful tract of 500 acres on the shores of Lake Champlain, makes it possible to simulate in every way the conditions of a federal camp, and Lake Champlain offers its broad waters for the naval work.

With the Colleges

—Six members of the faculty at Brown have entered the service during the past two months. This makes a total of twenty-one in government work.

—According to a recent decision of the Union faculty, the eight o'clock chapel plan, which has proved successful this year, will be continued next year.

—A remarkable showing was made at Vassar in the recent campaign to collect books for soldiers and sailors. 2,766 bound books and 96 pamphlets were received.

—The trustees of Dartmouth College voted recently that men of the present Senior Class who have joined any branch of the Army or Navy shall receive in June the degree which they would have earned, had times remained normal.

—Columbia University has been ordered by the A. A. U. officials to return the prizes won in the junior national medley championship relay races in Brooklyn. It has developed since the races that the first and second Columbia teams, which finished first and second respectively, each had a member ineligible to represent the University.

—Representatives of Harvard, Yale and Princeton met in New York recently to arrange a football schedule for next Fall. There was no competition between them last Fall. The informal elevens received no support among the students, and it has been decided to have 'Varsity football to attract the men into the game.

—It is expected that from three to five hundred members of the United States Army will take summer training in special technical work at the Clarkson Institute of Technology, Potsdam, N. Y. The government officials have been in communication with the President of Clarkson, and only the question of accommodation has kept the matter from being decided.

Stay for Commencement

How many Hamilton undergraduates are going to stay for Commencement? How many are going to stay for the exercises on Monday morning? It is not a question for the President or Faculty to decide, but one which is up to every student.

The general undergraduate attitude toward the Commencement festivities, is that they end with the Fraternity reunions on Saturday night. Sunday and Monday morning find very few outside the Senior class, still on the Hill. This is not as it should be. The college year does not end until the close of the exercises at 1 p. m. on Monday.

Last year it was necessary for a large number of the college body to remain to fill up the ranks. This year it is even more necessary, with the reduced size of the student body. Alumni and Faculty are working hard to make this Commencement a success. Whether they accomplish their object or not, depends in a large measure on the attendance or non-attendance of a large undergraduate delegation.

Besides this, every man owes it to himself to stay until the end. There are added attractions this year to make it even more worth while. The statue of Alexander Hamilton will be unveiled on Monday with impressive ceremonies. A College service flag with a star for every Hamilton man in service will be unfurled. A battalion drill will probably be held. This last depends entirely on the number of students who remain.

The Senior class is small. The Junior class is even smaller. Hamilton men must get the habit of staying for Commencement, and the start must be made this year.

MEN FROM MANY COLLEGES AT JUNIOR PLATTSBURG

At the former Senior Plattsburg camps, men from many colleges worked shoulder to shoulder during the period of training. This was found to be both enjoyable and beneficial, and as it similates the condition later found in the national army, the Junior Plattsburg is eager to carry on this important feature.

Spice o' Life

Weakly News

The summer breezes fan the air,
They're mighty warm at that;
So now we see the Freshmen wear
Their cool and white class hat.

Our companies again appear,
With change of officers;
Their orders ring out sharp and clear,
They're mostly "as you weres."

Our song which says that Union ain't
Just what she used to be;
We now can sing without restraint,
For now we all agree.

Our Supe is out in tennis jeans,
He used to play the game;
One would think he's in his 'teens,
His FORM is just the same.

The girls have come, the girls have "went,"
'Twas hard to say good-bye;
But never mind, they'll sure consent,
This fall to hither hie.

Perhaps it isn't "Weakly News,"
But I should like to say
We shouldn't now our time misuse,
With "zams" not far away.

Darn Black-face Type

Keen Grant Keehn walked up and down the platform of Track 15 in the Ute station from 6 to 8:30 Friday morning. Finally the station-master got nervous at the way he bit his nails and had speech with the stripling. His last words were, "No, son, the 6:10 comes up from the city in the evening."

Another Difficulty

"Watch the Oak Park siren if they install conductorettes in Utica cars," wisely averred our seer and filosofer, Kid Keane.

The Weakly Thrift Thrust

"Gol darn bread and butter letters 'll come high this year. I propose thuh lady friends cut out thuh thank-you sandwitches for a spell," economized Brick Blake near where the white posts used to be last evening.

—Frank Wassung, '13, was a visitor over the week-end. He was one of the judges in the speaking contest held at the Clinton High School Friday evening.

—Ernst O. Heyl, '99, has resigned his position with the Food Administration at Washington, to take a position with the Lewis Manufacturing Company at Walpole, Mass.

WITH THE COLLEGES

—Six R. P. I. men have died in service. These include four alumni and two members of 1919.

—A Naval Training Unit has been organized at Brown, the members of which will be offered instruction in navigation, astronomy, use of instruments, etc., by members of the faculty and by petty officers from the Naval Training Station at Newport. All students will be required to enter this or the Military Science course.

—The scarcity of football coaches has created an alarming situation among the colleges. The Y. M. C. A. has enlisted many athletes, and among them are several men counted on to serve as football mentors next fall. Amherst, Columbia, New York University, Washington and Lee, West Point and Williams find it difficult to sign the coaches they are seeking.

—"The Empire Forester", a student publication of the New York State College of Forestry at Syracuse, places the number of men who are in the service from this young institution at 229. This includes six faculty members, 36 Ranger School boys, 46 graduates, and 141 undergraduates. In this number there are 36 officers. 87 per cent. of the class of 1918 is in the service. Recently four men have been taken from the senior class for inspection work on airplane lumber and one faculty member for the same line of work.

—Reports from the University of Pennsylvania show a lowering of the standard of academic work for this year. More men were dropped at mid-years than ever before, and although the enrollment of the University is smaller by about a thousand, eight times as many students are on probation as last year. Similar reports from Harvard and Cornell show an almost universal spirit of unrest in the college world.

HAMILTON AND R. P. I. EVEN IN DUAL MEET

Lack of Distance and Weight Men Rob Buff and Blue of Victory—Middle Distance Fast

On Saturday, Hamilton athletes met the R. P. I. runners in the initial trark meet of the season, and the first to be run on the new athletic field, with the result a draw at 63 all. The lead in points see-sawed from one team to the other throughout the meet and the result rested on the last event, the hammer throw.

Hamilton proved to be superior to her opponents in the sprints, short runs, and both jumps, while R. P. I. won the majority of points in the weights, distance runs, and hurdles. About the middle of the meet R. P. I. was ten points ahead, but Hamilton climbed up to her rival during the late events.

Applebaum of R. P. I. was the individual star of the meet, winning 12 points. He was followed by his teammate, Armstrong, who won 11.

Eight Men Win H

Moore, Reed, Couper, MacLachlan, MacWilliams, Lawler, and Thompson won their H in the meet. MacWilliams' race in the 880 and Couper's in the 440 were fast.

Reed was high point winner for Hamilton, having 8 points to his credit. Hamilton got all of the 9 points in the high jump, with Lawler and Thompson tied for first place. Ludlow and Van Kennan also tied for second place in the pole vault. While there were no records broken the showing in most of the events was up to the average.

Rochester Teams to Invade Hill

Baseball Team Will Endeavor to Avenge Defeat of Two Weeks Ago

Rochester will come to the Hill this Saturday prepared to avenge the defeat administered to them on their home field two weeks ago, when the Buff and Blue journeyed to the Flower City and won by a 7-6 score.

Rochester has had a hard year. St. Lawrence swamped them 10-2, and the City of Rechester team downed them 9-1. Baumler was credited with 12 strike-outs in the game at Rochester, and only ragged support kept the score as close as it was. Their pitcher, Miller, was not a hard problem for Hamilton batters, and seven errors by Rochester also helped in the scoring. The lineup will be the same as in the recent games.

TRACK

Hobart Defeated in Track

Although the Rochester track team defeated Hobart last Saturday, the results for the events were very poor, and Hamilton should have no trouble in winning from the U. of R. Saturday. Sutherland was the star for Rochester piling up an individual score of 19 points by winning the low and high hurdles and the high jump, and securing second place in the 440 and in the broad jump.

Poor Time in Most Events

The time made in this meet was on the whole much slower than that made here in the meet with R. P. I. The 100 and 220 were won in 11 and 26 seconds, and the high jump went at 4 ft. 8 inches, and the pole vault at 8 ft. 5 in. Rochester is weak in the sprints, not winning a place in either of the dashes last Saturday. Harper, Rochester's only letter man in College, won the two mile in 11:59, and Hutchinson covered the mile in 5:18.

Three of the U. of R. men were unable to participate in the meet. Childs, a dash man, was suffering from a slight concussion of the brain, Winslow, a middle distance man, was called into service, and Wallace was unable to compete in the weight events because of a faculty ban. Walter Lee, who has coached Rochester for a number of years, is coach again this season.

SUNDAY CHAPEL

The annual Y. M. C. A. report was given in Chapel on Sunday. Ex-President Beach, '18, made a brief outline of the work accomplished last year and President Hamlin, '19, told what the organization hoped to do next year. Theodore Turner played a selection on the violin to an accompaniment on the organ.

The preacher for next week is the Rev. Oliver W. Hutchinson, father of Oliver W. Hutchinson, '19, of Dorchester Center, Mass.

INTRAMURAL BASEBALL

Weather permitting, two baseball games will be played this afternoon, and two on Thursday, at 4:30.

Kaiser, '20, proved the heaviest point winner, finishing with 10 tallies to his credit. Ludlow and Hishheimer came next with 7 each.

COLLEGE MEN TO BE ENROLLED IN U. S. ARMY

New Plans Aim to Prevent Unnecessary Depletion of College Ranks Thru Thoughtless Enlistment

SAME BASIS FOR ALL R. O. T. C.

Announcement was recently made by the War Department that able-bodied college students over eighteen years of age who enlist in the college R. O. T. C. units next fall will be constituted members of the army of the United States, liable to active duty at the call of the President. This plan of co-ordinating military service and college education has been worked out by the War Department in co-operation with the leading educators of the country to prevent unnecessary and wasteful depletion of the colleges through indiscriminate volunteering, and at the same time to develop the large body of young men in the colleges as a great military asset.

All Colleges Included

The official announcement states: "There will be created a military training unit in every institution. Enlistment will be purely voluntary, but all students over the age of eighteen will be encouraged to enlist. The enlistment will constitute the student a member of the army of the United States, liable to active duty at the call of the President. It will, however, be the policy of the Government not to call the members of training units to active duty until they have reached the age of twenty-one, unless urgent military necessity compels an earlier call. Students under eighteen, and therefore not legally eligible for enlistment, will be encouraged to enroll in the training units. Provision will be made for co-ordinating the reserve officers' training corps system, which exists in about one-third of the collegiate institutions with this broader plan.

Details Not Yet Available

"Later announcement will be made of the details of the new system. Students who do not graduate this spring should be urged to continue their education and take advantage of this new opportunity to serve the nation."

It is estimated that about 100,000 men will be enrolled under the new plan. The cream of that number will be selected for the officers' training camps, and special attention will be given to the fitness of others for particular branches of the army. Not more than 1,000 officers will be needed to train these men, and as officers return from France, incapacitated for further active service, they will be assigned to the college units. The college students will continue to pay tuition to the private institutions, and will not receive army pay, because they will be on inactive duty. However, they will be provided with equipment, but will not be obliged to wear their uniforms except when receiving military instruction and drilling.

—William H. Watson, '06, is inheritance tax collector for the Buffalo district. His address is 47 Lovering avenue.
